abroad, the Govt of India have pointed out that after sending recovery proposals no further action need be taken here unless a further reference is received in the matter from the foreign authorities. In the same view, as the present case has been sent up to the Govt of Bombay to effect ~~accomings~~ recovery, it seems unnecessary to keep the file open. The Collector may perhaps be informed of the position; if so, the draft overleaf is for approval. The file may be closed after issue and the papers added.
